To complete the **Jungle Swim across the Amazon Event** with Baby Paddlers

We are raising money for some fantastic local charities. Our exciting Jungle themed swim will be taking part in your child's lesson between 4-10 July. Every Paddler will take part by swimming 27 meters in their class, and with a combined total of all our swimmers we will be able to swim across the AMAZON! Please visit <http://www.babypaddlers.co.uk/jungle-swim> for more information on our charities. All money raised will be split across the charities based on your location's chosen charity.
